Write your analysis below.

You are given transcriptions of incidental music from the TV show The Great British Bake Off, written by composer Tom Howe.

For each passage, follow the process in the Diatonic Modes chapter to determine whether or not the example is modal. Some examples may be major/minor instead of modal.

In the space above the staff of each example:

- Write the name of the centric pitch and corresponding mode or key, e.g. "G aeolian."
- Explain how the centric pitch is made to sound like tonic: is it found on the downbeats? is it the lowest pitch? is it used in a cadence? etc.
- If the passage is modal, circle the inflected pitch (see EXAMPLE 4 in the chapter).
