

## CURRICULUM VITAE

### Monica H. Green Independent Scholar

Based in Phoenix, AZ, USA (UTC -8)

e-mail: [monica.h.green@gmail.com](mailto:monica.h.green@gmail.com)

ORCID: [orcid.org/0000-0001-8978-9631](https://orcid.org/0000-0001-8978-9631)

Bluesky: [@monicaMedHist](https://bsky.social/@monicaMedHist) (formerly on Twitter: [@monicaMedHist](https://twitter.com/monicaMedHist))

Pronouns: she/her

*Academia.edu*: <https://independentscholar.academia.edu/MonicaHGreen>

*Knowledge Commons*: <https://hcommons.org/members/mhgreen2/>

#### **Education**

Barnard College  
Princeton University  
Princeton University

#### **Degrees**

B.A. (1978)  
M.A. (1981)  
Ph.D. (1985)

#### **Field**

Medieval Studies  
History of Science  
History of Science

PhD thesis: “The Transmission of Ancient Theories of Female Physiology and Disease Through the Early Middle Ages”

#### **Academic Positions**

Independent Scholar	—	2019-present
Suppes Visiting Professor of the History of Science	Stanford University	Winter 2022
Professor of History	Arizona State University	2001-2019
Berlin Prize Fellow	American Academy in Berlin	Fall 2015
Member	School of Historical Studies, Institute for Advanced Study	2013-2014
Visiting Scholar	World History Center, University of Pittsburgh	2013-2014
Medieval Visiting Fellow	Fordham University	Summer 2013
Visiting Professor	Seattle University	Spring 2013
Visiting Fellow	All Souls College	Trinity Term, 2010
Visiting Professor	Utrecht University	Spring 2007
Visiting Fellow	Radcliffe Institute for Advanced Study	2001-2002
Associate Professor of History	Duke University	1995-2001
Assistant Professor of History	Duke University	1987-1995
Member	School of Historical Studies, Institute for Advanced Study	1990-1992
Postdoctoral Fellow and Visiting Lecturer	UNC, Chapel Hill	1985-1987
Lecturer	Princeton University	1983-1985

#### **Fields of Interest**

Global History of Health  
Pre-Modern Global History

History of Medicine  
Medieval European History

**Instruction (an asterisk [\*] signals that syllabi are posted on my Academia.edu page)<sup>1</sup>**

**Courses Taught - Undergraduate:**

- \*Emerging Diseases, Past and Present (Stanford 2022)
- \*Global History to 1500 (Fall 2014, Spring 2016, Fall 2016, Spring 2017, Fall 2018, Spring 2019)
- \*Medieval Medicine and Paleography (Seattle University, Spring 2013 [with Theresa Earenfight])<sup>2</sup>
- Catastrophe: History from the Ashes (Spring 2013)
- \*The Black Death: Pandemic Disease in the Medieval World (Fall 2012, Spring 2015, Spring 2017)
- \*Global History of Health (Spring 2009 and Fall 2010 [with Rachel Scott]; Spring 2011, Spring 2013, Fall 2014, Fall 2016)
- Western Medicine in Global Perspective (Spring 2007)
- History of Medicine (Fall 2003, Spring 2005, Spring 2006)
- Medicine in Medieval England (Summer 2003, Cambridge, U.K.)
- Sex and Society in the Middle Ages (Fall 2002, Spring 2005, Spring 2006, Spring 2007, Fall 2010, Fall 2011)
- Race and Medicine: Historical Perspectives (Spring 2000, Spring 2001)
- Medieval Cities: Walls, Wealth, and Welfare (Fall 1997, Fall 1998, Spring 2003, Fall 2007, Spring 2012)
- Senior Thesis Seminar, co-director (1997-98, 1998-99)
- Before Columbus: Western Views of the Non-Western World (Fall 1992, Spring 1996)
- \*History of Women in Science and Medicine<sup>3</sup> (Spring 1988, Spring 1989, Spring 1990, Spring 1993, Spring 1994, Spring 1995, Spring 1996, Spring 1999, Spring 2000, Spring 2001, Spring 2003, Fall 2005, Fall 2006, Fall 2008, Fall 2018)
- Medicine in the West (Fall 1989, Fall 2000, Fall 2002)
- Women in Medieval Society (Fall 1989, Spring 1993, Spring 1994, Fall 1995, Fall 1999, Fall 2000)
- Origins of Modern Science (Spring 1989, Spring 1990, Fall 1992, Fall 1995)
- Western Views of the Non-Western World (Spring 1988)
- Europe to 1700 (Fall 1987, Fall 1988)
- Medieval Europe (Fall 1987, Fall 1988)

**Graduate Instruction:**

- Emerging Diseases, Past and Present (Stanford 2022)
- Posthumus Masterclass, sponsored by the N. W. Posthumus Institute, Research School for Economic and Social History (Nijmegen) and Utrecht University (13 November 2018)
- \*Teaching Global History to 1500: Materials and Methods (Summer 2017)

---

<sup>1</sup>With the Zoomification of instruction during the COVID pandemic, I have accepted numerous invitations to “drop in” as a guest instructor into colleagues’ classes. These are the ones I remember: Stanford, 7 Oct 2020; MIT, 1 March 2021; University of South Alabama, 02 September 2021; University of Louisville, 19 October 2021; CUNY, Graduate Center, 22 November 2021; McGill University, 28 January 2022; William and Mary, 8 March 2022; Hunter College, CUNY, 28 March 2022; Korea Advanced Institute of Science and Technology (KAIST), 23 May 2022; Boston University School of Public Health, 1 November 2022; Lake Forest College, 7 November 2022; Maastricht University College, 21 March 2023; Erfurt University, 16 May 2023; University of Louisville, 17 October 2023; University of North Carolina-Greensboro, 09 November 2023; Central Connecticut State University, 25 February 2025; Purdue University Fort Wayne, 25 March 2025 (upcoming).

<sup>2</sup>This course was noted in the following publication: “History Class Examines 15th Century Latin Manuscript,” *Seattle University, College of Arts and Sciences News*, 30 August 2013, <https://www.seattleu.edu/artsci/about/news/story/?id=119670>. See also the blog posts (listed below) written by myself and Earenfight on our experience of designing and teaching this course.

<sup>3</sup>The syllabus for this course was selected twice for inclusion in the *History of Women and Gender, Science, and Technology Syllabus Sampler* published by the History of Science Society. In 2012, it was chosen for the new online Syllabus Sampler for the Women’s Caucus of the History of Science Society, <http://hsswc.weebly.com/syllabus-project.html> (accessed 02/26/2012).

- \*The Emergence of Global Health (Spring 2012)
- \*Readings in Medieval History (Fall 2011)
- Women's Secrets in Latin and Dutch Traditions, co-instructor (University of Utrecht, Spring 2007)
- European Diversity, co-instructor (Fall 2006, Fall 2008)
- Readings in Medieval Women's History (Spring 2006)
- Readings in the History of Sex Education (Spring 2006)
- Interdisciplinary Perspectives on Women's Health (Fall 2005, Fall 2007)
- Women in Medieval Society (Spring 2003)
- Readings on Women in Science and Medicine in 17th-19th century France (Spring 1996)
- Topics in Medieval Women's History (research seminar, Spring 1995)
- Readings in the History of Medieval Women (Spring 1993)
- Readings in Ancient and Medieval Science (Fall 1992)
- Readings in the History of Science (Fall 1988)
- Readings in the History of Women in Science and Medicine (Spring 1988)

#### **PhD Dissertation Supervision:**

- Stephanie Stegman, Arizona State University, "Taking Control: Fifty Years of Diabetes in the American Southwest, 1940-1990" (2010)
- Matthew Laubacher, Arizona State University, "Cultures of Collection in Nineteenth Century American Natural History" (2011)
- Edmund McCaffray, Arizona State University, "The Culture of Literate Power at Cluny, 910-1156 CE" (2015)
- Joris Roosen, University of Utrecht, "The Black Death and Recurring Plague During the Late Middle Ages in the County of Hainaut: Differential Impact and Diverging Recovery" (2020) - committee member
- Kelly Bevin Butler, Arizona State University, Art History - "Crafting Agency in Needle and Thread: Nuns' Work, Reform, and Textile Production in Late Medieval Monasteries" (2021) - committee member

#### **Post-doctoral Instruction:**

- \*"Health and Disease in the Middle Ages," NEH Summer Seminar for College and University Teachers, funded in 2011 and run in June-July 2012 at the Wellcome Library, London, <http://www.public.asu.edu/~mhgreen/healthanddisease2012/index.html>
- "Disease in the Middle Ages," NEH Summer Seminar for College and University Teachers, funded in 2008 and run in July and August 2009, at the Wellcome Trust Centre for the History of Medicine, University College London

#### **Works in Progress (see "Talks" section below for recent presentations)**

##### **books:**

- The Black Death: A Global History*, under contract with Cambridge University Press
- The Genesis of the Medical Works of Constantine the African and Their Circulation in the Long Twelfth Century*, in negotiation with Brepols

##### **articles:**

- "Blaming Constantine: The Transition of European Conceptions of Leprosy in the Eleventh Century"
- "Constantine's *De genecia* Revisited: Monte Cassino, Female Patronage, and the Origins of the *Articella*"
- "Between Paradigms: New Thinking About Famines and Plagues," A proposed essay for the volume in memory of Marie A. Kelleher, ed. Esther Cuenca *et al.*
- "Crisis under a Microscope: What the Genetics Revolution in Plague History Means for the History of the Mongol Empire," *Chinggisid Crises and Eurasian Responses*, ed. Geoffrey Humble and Márton Vér

##### **database (this is still in private development and has no public components yet):**

- Latin Medicine in the Long 12th Century: A Survey of Surviving Manuscripts and Other Witnesses* (PI: M. H. Green)

**Publications****- teaching publications (peer-reviewed)**

- (1) *The Black Death: The Medieval Plague Pandemic through the Eyes of Ibn Battuta*, an online course module for the *History for the 21<sup>st</sup> Century (H21) Project*, forthcoming 2025,  
<https://www.history21.com/owit-module/the-black-death-the-medieval-plague-pandemic/>

**- books (single-authored, peer-reviewed)**

- (2) *Making Women's Medicine Masculine: The Rise of Male Authority in Pre-Modern Gynaecology* (Oxford: Oxford University Press, 2008), ISBN-13: 978-0-19-921149-4, awarded the 2009 Margaret W. Rossiter History of Women in Science Prize by the History of Science Society in recognition of an outstanding book on the history of women in science published in the previous two-year period
- (3) **Italian translation:** *Trotula. Un compendio medievale di medicina delle donne*, A cura di Monica H. Green. Traduzione italiana di Valentina Brancone, Edizione Nazionale La Scuola Medica Salernitana, 4 (Florence: SISMEL/Edizioni del Galluzzo, 2009), ISBN 978-88-8450-336-7<sup>4</sup>; e-book edition, under the title *Trotula: Medicina e cosmesi delle donne nel Medioevo*, medi@evi.digital medieval folders, 04 (Florence: SISMEL/Edizioni del Galluzzo, 2014),  
<http://www.sismel.it/tidetails.asp?hdntiid=1408&hdnLanguage=EN>
- (4) *The 'Trotula': An English Translation of the Medieval Compendium of Women's Medicine* (Philadelphia: University of Pennsylvania Press, 2002), ISBN 978-0-8122-1808-4<sup>5</sup>
- (5) *The 'Trotula': A Medieval Compendium of Women's Medicine* (Philadelphia: University of Pennsylvania Press, 2001), ISBN 978-0-8122-3589-0<sup>6</sup> — nominated for the 2004 Eileen Basker Memorial Prize in gender and health, awarded by the Society for Medical Anthropology;
- (6) *Women's Healthcare in the Medieval West: Texts and Contexts*, Variorum Collected Studies Series, CS680 (Aldershot: Ashgate, 2000), ISBN 0-86078-826-1<sup>7</sup> — co-winner of the 2004 John Nicholas Brown Prize of the Medieval Academy of America, given for “a first book in the medieval field judged to be of outstanding quality”

**- edited special issues and books**

- *refereed articles & book chapters* (an asterisk indicates essays reprinted in *Women’s Healthcare*)
- (13) “Modern Pandemics,” in: *Oxford Bibliographies in Environmental History*, ed. Lisa Brady (New York: Oxford University Press), under review (submitted 12 Oct 2024). [URL]
- (14) “An Omni-Crisis at the Intersection of Disciplines: Teaching the Black Death to STEM and Humanities Students,” submitted 12 Jan 2024 to *Studies in Medieval and Renaissance Teaching (SMART)*; revised version submitted 10 Aug 2024
- (15) “The Medical Texts in the *Codex Gigas*,” *Proceedings of the National Library of Sweden* (forthcoming 2025?)
- (16) “In and Beyond the Beneventan Zone: The Transformation of Latin Medicine in the Eleventh Century,” to appear in: *Brill Companion to the Beneventan Zone*, ed. Andrew J. Irving and Richard Gyug (submitted May 2021, accepted Sept 2022, revised draft submitted Dec 2023)
- (17) “The Future of Time: Methodological Dialogues between Philology, Archaeology, and Genomics,” for “Speculations: The Centennial Issue of *Speculum*,” accepted for publication in *Speculum* 101, no. 1 (Jan 2026) (notified of acceptance 05/27/2025)
- (18) Jacob Steere-Williams, Christos Lynteris, and Monica H. Green, “Epidemic Origins and Geographies of Blame in the Time of COVID-19,” forthcoming in *COVID Studies: New Directions in Social Science Disaster Research*, ed. Alexa Dietrich, Scott Gabriel Knowles, and Rodrigo Ugarte
- (19) with Nahyan Fancy, “Plague History, Mongol History, and the Processes of Focalisation Leading up to the Black Death: A Response to Brack *et al.*,” *Medical History* 68, no. 4 (Fall 2024), 411-35, <https://doi.org/10.1017/mdh.2024.29>, PMID: 39957329;<sup>10</sup> original draft of 22 Mar 2024 posted on Knowledge Commons, 08 April 2024, <https://doi.org/10.17613/xpww-2r48>
- (20) “‘Trotula’ is Not an Example of the Matilda Effect: On Correcting Scholarly Myths and Engaging with Professional History. A Response to Malecki *et al.* 2024,” *Science Education* 108, no. 6 (November 2024), 1725-1732, published online 27 Jul 2024, DOI: 10.1002/sce.21897

<sup>8</sup>This is a hardback reprint of *The Medieval Globe*, volume 1 (2014), with a new preface and a complete index.

<sup>9</sup>An essay from this volume, Rebecca Winer, “Conscripting the Breast: Lactation, Slavery, and Salvation in the Realms of Aragón and Kingdom of Majorca, c. 1250-1300,” *Journal of Medieval History* 34, no. 2 (2008), 164-184, won the 2009 Best Article prize from the Society for Medieval Feminist Scholarship.

<sup>10</sup> This piece was originally submitted to *Medical History* on 22 March 2024, with the final version submitted 06 June 2024. However, due to a cyber-attack on the publisher, Cambridge University Press, it was delayed in publication until published online 17 Feb 2025, when it first appeared online. The October 2024 date in print is thus the official date of record. In addition to a press release from Exeter University, news coverage of this study included a piece in *The Times* of London (18 Feb 2025), and an interview of co-author Nahyan Fancy by BBC Cornwall with Julie Skentelbery, on 18 March 2025, <https://www.instagram.com/p/DGi5JIgNlpG/>.

Member, Editorial Board, *The Medieval Globe* (2018-present)

Co-Editor (with Brian Long), *Constantinus Africanus* Blog, <https://constantinusafricanus.com/> (2017-present)

Member, Steering Committee, “The Global Middle Ages,” a Digital Humanities project funded by the Mellon Foundation, <http://globalmiddleages.org/> (2014-2019)

Member, Commissione Scientifica dell’Edizione Nazionale “La Scuola Medica Salernitana” (2006-present)

Member, Advisory Board, “The Middle Ages in the Wider World,” a multi-campus research program based at the University of California, <http://middleagesinthewiderworld.org/> (2017-2019)

Member, Advisory Board, *Feminae: Medieval Women and Gender Index* (1996-2020), <http://inpress.lib.uiowa.edu/feminae/lib scho.aspx>

Member, Editorial Board, *History Compass* (2010-2017)

Member, Editorial Board, *Studies in Medieval and Renaissance History* (2004-2014)

Member, Editorial Board, *Dynamis: Acta Hispanica ad Medicinae Scientiarumque Historiam Illustrandam* (2005-2010), <http://www.raco.cat/index.php/Dynamis>

Member, Advisory Board, *Monastic Matrix: A Scholarly Resource for the Study of Women’s Religious Communities from 400 to 1600 C.E.* (2003-2012)

Member, Editorial Board, *e-TK* (1997-2011)

Member, Editorial Board, *Social History of Medicine* (1998-2001 and 2007-2011), <http://shm.oxfordjournals.org/>

Member, Editorial Board, *Journal of Medieval and Early Modern Studies* (1998-2001)

Member, Editorial Collective, *Gender and History* (1993-1997)

Founding Co-editor, *Critical Matrix: Princeton Working Papers in Women’s Studies* 1 (1984-85)

#### **Fellowships and Grants - External**

with Nükhet Varlık, “Reconceiving the History of Plague in the Era of COVID-19,” COVID-19 Grants for History in the Public Interest, Lepage Center for History in the Public Interest, Villanova University, 2020-21 (amount: \$2500)

Radcliffe Institute for Advanced Study, Exploratory Seminars Grant, 2018-19 (amount: \$18,000)

American Academy in Berlin, Visiting Fellow, Fall 2015 (amount: \$20,000)

Institute for Advanced Study (Princeton), School of Historical Studies, Visiting Member, 2013-14 (amount: \$95,000)<sup>36</sup>

---

<sup>36</sup>This membership was funded by the Willis F. Doney Membership Endowment, with supplemental funding from the NEH Fellows at Independent Research Institutions Program.

Mellon Foundation, development grant for “*Tradamus*: A Web-based Application for Scholarly Collation, Editing, and Digital Publishing,” Use Case Project Director for edition of the *Antidotarium magnum*, 2013-14 (amount: 17% of \$933,000)

University of Pittsburgh World History Center, Visiting Scholar, 2013-14 (\$12,000)

National Endowment for the Humanities, Summer Seminars Grant, with Rachel E. Scott (awarded 2011 for seminar run in London in 2012) (amount: \$167,757)

National Humanities Center, “Conversations” grant for “Excavating Medicine in a Digital Age: Paleography and the Medical Book in the Twelfth-Century Renaissance,” with Florence Eliza Glaze, 2010-11 (amount: \$10,590)<sup>37</sup>

American Council of Learned Societies Fellowship, 2009-10 (amount: \$49,000)

All Souls College, Oxford University, Three-Term Visiting Fellowship, 2009-10 (non-stipendiary, only Trinity Term taken)

National Endowment for the Humanities, Summer Seminars Grant (awarded 2008 for seminar run in London in 2009) (amount: \$146,600)

Countway Library Fellowship in the History of Medicine, Harvard University, 2007-2008 (amount: \$5000)

John Simon Guggenheim Memorial Foundation Fellowship, 2004 (amount: \$35,000)

Radcliffe Institute for Advanced Study Fellowship, 2001-2002 (amount: \$40,000)

National Endowment for the Humanities, Summer Research Grant, 2001 (amount: \$5000)

National Humanities Center Fellowship, 1996-97 (amount: \$30,000)

Institute for Advanced Study (Princeton), Two-Year Membership, 1990-92 (amount: \$60,000)

Center for Advanced Study in the Behavioral Sciences (Stanford), invitation extended 1990 (declined)

National Endowment for the Humanities, Research Grant, 1990-91 (amount: \$27,000)

American Philosophical Society Research Grant, 1987

National Endowment for the Humanities, Travel to Collections Grant, 1987

American Council of Learned Societies, Travel to Overseas Conferences Grant, 1986

Visiting Member of High Table, King’s College, Cambridge, May 1986

Carolina Minority Postdoctoral Fellowship (University of North Carolina, Chapel Hill), 1985-1987

National Science Foundation Minority Graduate Fellowship, 1979-1982

### **Fellowships and Grants - Internal** (Duke University and Arizona State University)

Melikian Center for Russian, Eurasian, and East European Studies, Arizona State University, Research Grant, 2017 (amount: \$1,000)

Institute for Humanities Research, Arizona State University, “The Origins of Leprosy as a Physical Disease and Social Condition in Medieval Western Europe,” with Rachel E. Scott (amount: \$45,000) (declined)

Arizona State University, Women’s Studies Summer Research Award, 2005 (amount: \$3000)

Duke University Research Council Grants, 1989-90, 1992-93, 1993-94, 1994-95, 1995-96, 2000-2001

Josiah Charles Trent Memorial Foundation Research Grant, 1988, 1995, 2001

Duke University Women’s Studies Summer Research Grant, 1988

### **Honors and Awards** (see also **Fellowships and Grants**)

Sigma Xi: The Scientific Research Honor Society, Associate Member (nominated 2024)

Best Paper Prize for “An Omni-Crisis at the Intersection of Disciplines: Teaching the Black Death to STEM and Humanities Students,” at the Symposium on Teaching the Middle Ages and the Renaissance to STEM Students, Georgia Institute of Technology, 4 December 2023

Medieval Academy of America named prize: The Monica H. Green Prize for Distinguished Medieval Research (announced 2022)

Medieval Academy of America/CARA Award for Excellence in Teaching, 2018<sup>38</sup>

“Gendering the History of Women’s Healthcare” (published in 2008) selected as 1 of 12 articles from past 25 years for inclusion in the Max Planck Institute for the History of Science (MPIWG) and the History of Science Society (HSS) Reader Project in the History of Science in 2016 (articles translated into Chinese and published in 2019)<sup>39</sup>

Joseph H. Hazen Education Prize, 2014, awarded by the History of Science Society in recognition of outstanding contributions to the teaching of history of science

“The Sources of Eucharius Rösslin’s *Rosegarden for Pregnant Women and Midwives* (1513)” (published in 2009) was selected as one of 24 “highlights of a decade” in the journal *Medical History* by Cambridge University Press in 2012

Fellow of the Medieval Academy of America (elected 2011)

The 2009/2010 Nancy Smith Distinguished Visitor-In-Residence/Visiting Lecturer, Coastal Carolina University, Conway, South Carolina, January 2010

Margaret W. Rossiter History of Women in Science Prize, awarded by the History of Science Society in recognition of an outstanding book on the history of women in science published in the previous two-year period – winner of the 2009 Book Prize for *Making Women’s Medicine Masculine: The Rise of Male Authority in Pre-Modern Gynaecology*

Invited Visiting Professor, Prestige Master’s Programme, The Research Institute for History and Cultures (OGC), Utrecht University, Spring 2007

John Nicholas Brown Prize, awarded by the Medieval Academy of America for the best “first book or monograph on a medieval subject” – winner 2004 for *Women’s Healthcare in the Medieval West*<sup>40</sup>

“The Possibilities of Literacy and the Limits of Reading: Women and the Gendering of Medical Literacy,” in *Women’s Healthcare in the Medieval West: Texts and Contexts* (2000) – selected as Article of the Month by *Feminae* (April 2001)

### **Professional Activities**

*founder and administrator of:*

**MEDMED-L:** “a forum for communication among scholars studying medicine in the medieval period,” membership rose to over 800 members from 30 countries during my tenure – 2008 to 2021

*member of:*

Medieval Academy of America

- Council (2006–2009)
- elected member of Society of Fellows (2011, for life)
- Officers Nominating Committee, Society of Fellows (2013)
- Kalamazoo Congress Speakers Committee (2015-2018, chair: 2016-17)
- Diversity and Inclusion Prizes Committee (2018-2019)

American Association for the History of Medicine (life member)

- Osler Prize Committee (1994, 1995)

---

<sup>38</sup>The CARA Teaching Award was split in 2018 between two winners: myself and Emily Steiner, Associate Professor of English, University of Pennsylvania.

<sup>39</sup>See Angela N. H. Creager and Dagmar Schäfer, eds., *History of Science in a World of Readers: Frames of References for Global Exchange*, Max Planck Research Library for the History and Development of Knowledge Studies, 11 (Berlin: Max Planck Institute for the History of Science, 2019).

<sup>40</sup>The John Nicholas Brown Prize was split in 2004 between two winners: myself and Anders Winroth, at the time Associate Professor of History at Yale University.

- Program Committee, Annual Meeting (2001, 2010, 2023)
- Shryock Prize Committee (2001, 2013)
- Council (2005–2008)
- Welch Medal Committee (2006–7)

Middle East Medievalists (life member, from 2023)

American Association of University Professors (life member, from 2025)

Society for Medieval Feminist Scholarship (ca. 1990-2020)

- Advisory Board (2000–2003)
- Vice President (2003–2005)
- President (2006–2007)
- Book & Article Prize Committee (2003–2007, chair 2006–2007)
- IT Advisory Committee, chair (2006–2007)
- MEDFEM-L, list manager (2007-2012)<sup>41</sup>

History of Science Society (1981-2017)

Society for Ancient Medicine (1985-1993)

North Carolina Research Group on Medieval and Early Modern Women (1988–2001)

Society for the Social History of Medicine (2005-2011)

Society for Medical Anthropology (2002-2010)

Advisory Board, Arizona Center for Medieval and Renaissance Studies (2005-2013)

Organization for the Study of Sex Differences (charter member, 2006-2013)

World History Association (2011-2017)

Mediterranean Seminar (from 2011)

Paleopathological Association (2013-2017)

American Historical Association (occasional)

Plague Working Group (2012-2016)

<sup>41</sup>MEDFEM-L is an unmoderated forum for the discussion of feminist approaches to medieval studies; during my tenure as list manager, it was sponsored jointly by the Society for Medieval Feminist Studies (SMFS) and the Arizona Center for Medieval and Renaissance Studies (ACMRS). During my tenure, the list grew from 514 members in 21 countries to over 670 members in 25 countries. The list was transferred to the University of Iowa in April 2012.

<sup>42</sup>Because of confidentiality concerns, I have not listed the work I have done evaluating promotion files nor academic programs at other institutions.

*Review; Journal of the Warburg and Courtauld Institutes; Population Studies; Mediterranean Historical Review; PeerJ; Historical Research; Proceedings of the Royal Society B [Biological Sciences]; Medieval Globe; Nature Ecology & Evolution; Journal of Public Health; Medieval Feminist Forum [2018: Social History of Medicine; Speculum; Journal of Interdisciplinary History; Health Security; AJS (Association for Jewish Studies) Review][2019: Social History of Medicine; Speculum; Molecular Biology and Evolution; American Historical Review][2020: Molecular Biology and Evolution; Medieval Globe; Royal Society Open Science; Journal of the Royal Asiatic Society; Endeavor; Economic History Review][2021: Medical History; Zoonoses and Public Health; Environmental History] [2022: The Library; Medieval Globe; Journal of the Economic and Social History of the Orient; Emerging Infectious Diseases] [2023: Medieval Worlds; Social History of Medicine; Medical History; The Medieval Globe] [2024: Medieval Encounters; Historical Studies on Central Europe; Human Ecology; Anuario de Estudios Medievales; Curare: Zeitschrift für Medizinethnologie] [2025: Journal of World History; Oxford Research Encyclopedia of Gender and Women's History]*

### **Exhibit Curated**

- “Everything You Always Wanted to Know about Women: Women’s Medicine in the Middle Ages and Its Influence on Modern Sexuality,” Utrecht University Library, 27 June 2007 (co-curated with Orlanda Lie), a display of books, images, and artefacts on women’s medicine in Latin and Dutch from ca. 1300 to ca. 1600

### **Conferences, Symposia, and Major Sessions Organized**

- “Monte Cassino and Salerno in the Long 12th Century: New Sources and New Perspectives in Latin Medicine,” sessions organized for the 2025 meeting of the International Medieval Congress, Leeds, 07-10 July 2025
- member of Scientific Committee, “Epidemics: Contacts and Contagions, Reactions and Emotions,” Naples, 4-6 June 2025
- “Expanding Narratives of Plague: Epidemic Crises in the Western Mediterranean, 11th-15th Centuries,” session organized for the 2024 meeting of the Medieval Academy of America, Notre Dame, 14-16 March 2024
- with Nahyan Fancy: “Disease in the Medieval Islamic World,” sessions organized for the 2023 meeting of the International Medieval Congress, Leeds, 3-6 July 2023
- with Christos Lynteris: *From Zoonotics to Anthroponotics: The Past and Present of Disease Transmission between Animals and Humans*, a symposium organized by *The Global War Against the Rat and the Epistemic Emergence of Zoonosis* project, St Andrews University, 14 December 2021,
- with Nükhet Varlık and Tunahan Durmaz (conveners), *History of Infectious Disease in the Islamic World*, a working group within the Consortium for the History of Science, Technology and Medicine, February 2021 to the present
- with Lisa Fagin Davis, Medieval Academy of America: “The Mother of All Pandemics: The State of Black Death Research in the Era of COVID-19. A Forum Sponsored by the Medieval Academy of America,” 15 May 2020
- with Joris Roosen, Utrecht University: “Biraben 2.0: A Black Death Digital Archive,” Radcliffe Academic Ventures Exploratory Seminar, 11-12 April 2019
- “Plague as a Pan-Eurasian Phenomenon: Same Disease, Differing Mortalities,” panel organized for the 94th Annual Meeting of The Medieval Academy of America, University of Pennsylvania, Philadelphia, Pennsylvania, March 7-9, 2019

- “Between Death and Disease: A Roundtable in Honor of Ann G. Carmichael,” held at the 2017 annual meeting of the American Association for the History of Medicine, 5-7 May 2017, Nashville, TN
- “Persisting Plague,” held at the 2017 annual meeting of the American Association for the History of Medicine, 5-7 May 2017, Nashville, TN
- “Before and After 1348: Prelude and Consequences of the Black Death,” a panel held at the 52<sup>nd</sup> International Congress of Medieval Studies Western Michigan University, 11-14 May 2017
- “Witnesses at the Creation: The West African Ebola Crisis and Its Implications for Global Health,” a session organized for the 2015 American Association for the History of Medicine meeting New Haven, CT, 30 April-3 May 2015
- “A New History of Leprosy: The Global Health Implications of the Discovery of *Mycobacterium lepromatosis*,” a session organized for the 2013 meeting of the American Association for the History of Medicine, Atlanta, May 16-19, 2013
- “A Prospectus for Global Health History,” a session organized for the 127th meeting of the American Historical Association, New Orleans, 3-6 January 2013
- “The Power of Cartography: Remapping the Black Death in the Age of Genomics and GIS,” a session organized for the 127th meeting of the American Historical Association, New Orleans, 3-6 January 2013
- two sessions on “Scholars and Their Books at the Dawn and Height of the Twelfth-Century Renaissance (1050-1100),” at Texts and Contexts: A manuscript conference at The Ohio State University, sponsored by The Center for Epigraphical and Palaeographical Studies, October 7–8, 2011
- roundtable on “Can Science Answer Historians’ Questions? A Post-Genomics Conversation on the Black Death,” 80th Anglo-American Conference 2011: Health in History, Royal Historical Society, 29 June 2011 – 1 July 2011, London
- roundtable on “HIV/AIDS at 30: What is History’s Role in a Global Pandemic?,” American Association for the History of Medicine annual meeting, 28 April – May 1, 2011, Philadelphia, PA
- with Florence Eliza Glaze, “Excavating Medicine in a Digital Age: Paleography and the Medical Book in the Twelfth-Century Renaissance,” a three-day invited symposium of eleven international scholars of medical history and paleography, National Humanities Center (Research Triangle Park, NC), 29 September – 3 October 2010
- two sessions organized on behalf of the Medieval Foremothers Society to honor Joan Cadden (University of California–Davis, *emerita*): “Thinking beyond the ‘Woman Writer’ in Reconstructing Women’s Intellectual Worlds,” and “(New) Meanings of Sex Difference in the Middle Ages: Medicine, Science, and Culture (A Roundtable),” held at the 44th annual International Congress on Medieval Studies, Kalamazoo, Michigan, 7–10 May 2009
- session on “The Body at the Crossroads of Medicine and History: Disease, Disability, and the Law in Medieval Europe,” American Historical Association annual meeting, Washington, D.C., 3–6 January 2008
- “Everything You Always Wanted to Know about Women: Women’s Medicine in the Middle Ages and Its Influence on Modern Sexuality,” Utrecht University, 27 June 2007 (co-organizer)
- session on “Re-Making Sex I: Multiple Models of Sex in the European Tradition” and “Re-Making Sex II: Is Sex Universal?,” 13th Berkshire Conference on the History of Women, June 2005
- session on “Conversing with the Minority: Relations among Christian, Jewish, and Muslim Women,” Session sponsored by the Society for Medieval Feminist Scholarship at the 40th International Congress on Medieval Studies, May 5–8, 2005
- organizer and commentator, “Beyond Bynum and Foucault: Rereading Medieval Bodies,” Anglo-American Congress, July 2003, London, England
- “Defining Women’s Health: An Interdisciplinary Dialogue,” May 4, 2002, at Harvard University<sup>43</sup> (co-organizer)

---

<sup>43</sup>A website was developed providing the full program and supporting documentation. It was taken down by the Women’s Studies program at Harvard in approximately 2006.

- “Race and Medicine: Historical Perspectives,” a seminar series in honor of Black History Month, February 2000 and February 2001, Duke University (co-organizer)
- Conference on “Studying the Middle Ages and the Renaissance: What Difference Does Gender Make?,” including panel “To Speak in the Vernacular: Gender and the Translations of Medical Writing,” University of North Carolina at Chapel Hill, 27–29 October 1995 (co-organizer)

### **Invited Participant**

- December 2019 – chair of session on medicine at “Current Trends in the History of Science in Muslim Societies: Debates, Approaches, and Stakes,” a workshop at New York University, 11-12 December 2019
- May 2015 – “Linking the Middle Ages” Workshop, a CLIR/Mellon Symposium, organized by Ece Turnator, University of Texas at Austin, 11-12 May 2015<sup>44</sup>

### **Talks – Public Engagement**

- October 2022 – “The History of Infectious Disease—And Why Our Work to Remember is So Critical,” presentation (via Zoom) to the Marked by COVID community at their regular weekly meeting on 20 October 2022
- May 2016 – “Medieval Europe from the Outside: Identity Meets Research Program,” International Congress on Medieval Studies, 12-15 May 2016, Kalamazoo, MI (invited)
- January 2013 – “Looking for Captain Midnight,” talk presented at AHA Committee on Minority Historians Breakfast, 4 January 2013 (invited)

### **Talks and Conference Papers – Upcoming**

- June 2025 – “25 Years of ‘Big Picture’ Research: Bringing Global Questions to the History of Medieval Medicine,” to be presented to the UseFool Project, University of Bologna, 9 June 2025 (invited)
- June 2025 – “How Genetics Has Changed the History of Pandemics, And How History Is Changing Genetics,” to be presented to Egenis, Centre for the Study of Life Sciences, and Societies and Culture Institute, University of Exeter, 16 June 2025 (invited)
- June 2025 – “Towards a Global History of the Black Death” (with Nahyan Fancy), a Masterclass to be presented to Egenis, Centre for the Study of Life Sciences, and Societies and Culture Institute, University of Exeter, 17 June 2025 (invited)
- June 2025 – “(Palaeo-)Genetics for the Humanities and Social Sciences” (with Rebecca Flemming), a Workshop for Early Career Researchers, to be presented to Egenis, Centre for the Study of Life Sciences, and Societies and Culture Institute, University of Exeter, 18 June 2025 (invited)
- July 2025 – “Constantine the African’s Transformation of Latin Medicine: The Evidence of the Manuscripts,” part of sessions organized for the 2023 meeting of the International Medieval Congress, Leeds, 7-10 July 2025, on the topic of “Monte Cassino and Salerno in the Long 12th Century: New Sources and New Perspectives in Latin Medicine”
- September 2025 – “Boccaccio’s Plague: Latest Results from the Newly Emerging Biological History of the Black Death,” talk to be presented at *Boccaccio 650: 1375-2025*, Newberry Library, 2025 American Boccaccio Association Triennial Conference, Chicago, 18-20 September 2025

-----

<sup>44</sup>The report for the workshop can be found here:  
<https://repositories.lib.utexas.edu/bitstream/handle/2152/30220/Turnator%20E%20et%20al%202015%20Linking%20The%20Middle%20Ages.pdf?sequence=3&isAllowed=y>.

- September 2025 – “The Plagues of Africa: Reconstructing the Global Histories of a Eurasian Disease,” talk to be presented to the African Studies Council, Yale University, 24 September 2025 (invited)
- October 2025 – [title to be determined], to be presented at “Men and the Plague: Fifty Years On, What Do We Know? A Colloquium in Honor of Jean-Noël Biraben,” 14-16 October, Bordeaux (invited)
- June 2026 – [title to be determined], Garrison Lecture, American Association for the History of Medicine, annual meeting, SUNY-Buffalo, 3-7 June 2026 (invited)

### **Talks and Conference Papers**

- June 2025 – “The Concept of ‘One Health’: What Does It Offer Medical History?,” opening address at the international conference, *Epidemics: Contacts and Contagions, Reactions and Emotions*, sponsored by Institute of History of Mediterranean Europe of the CNR, in collaboration with the International Network–Historical and Osteoarchaeological Past Populations Exploration, 3-6 June 2025, Naples (invited)
- May 2025 – “What 649 Manuscripts Can Tell Us About Constantine the African: An Interim Report on the ‘Medicine in the Long 12th Century’ Project,” Consortium for the History of Science, Technology, and Medicine, 22 May 2025 (invited)
- April 2025 – “Where Do Pandemics Come From? Using Black Death Narratives to Rethink the Origin of Pandemics,” Richard Dean Winchell Lecture, University of Nebraska at Omaha, 24 April 2025 (invited)
- March 2025 – “What’s New with ‘Trotula’?”, Purdue University Fort Wayne, Damian Fleming Middle English ENGL 40601/51302, 25 March 2025 (invited)
- March 2025 – “The Black Death in Africa: What We Know and What We Might Soon Be Learning,” Medieval Academy of America Centennial Speakers Series, Grambling State University, 18 March 2025 (invited)
- March 2025 – “How Genetics Has Changed the History of the Black Death, and How History Has Changed Genetics,” 2025 Dr Martin A. Entin Lecture in the History of Medicine, McGill University, 12 March 2025, Montréal (invited)
- March 2025 – “25 Years of Chasing Constantine: Rebuilding the Library of 11th- and 12th-Century Latin Medicine,” Pre-Modern Medicine and Science Reading Group, Department of Social Studies of Medicine, McGill University, 11 March 2025
- February 2025 – “The Black Death as an Aspect of the Global Middle Ages,” Medieval Academy of America Centennial Speakers Series, Central Connecticut State University, Constance Barrington’s Global Middle Ages class, 25 February 2025 (invited)
- February 2025 – “The Black Death: Why We’ve Never Known Its True Causes or Extent Before,” Medieval Studies Program, Texas Wesleyan University, 18 February 2025; and Southern Methodist University, 19 February 2025 (invited)
- January 2025 – “Putting the *Pan-* in ‘Pandemic’: Why the Medieval Black Death Has So Much to Tell Us About Global Health Today,” Tulane University School of Medicine, History of Medicine Society, 29 January 2025 (virtual)
- January 2025 – “The ‘Genetics Turn’ in Disease History: What It Means to ‘Retrospectively Diagnose’ in an Age of Evolutionary Pathogen Histories,” presented at the Society for Ancient Medicine “Medical Modernities” session at the Society of Classical Studies 156th Annual Meeting, 5 January 2025, Philadelphia
- November 2024 – “Second Generation: Teaching Women’s History Backwards and Forwards,” A Conference in Honor of Natalie Zemon Davis, Princeton University, 15-16 November 2024 (invited)
- November 2024 – “Plague and the Persecution of Minorities: How the New Sciences of Plague Are Changing Our Understanding of Responses to the Black Death,” Joseph and Rebecca Meyerhoff Lecture in Judaic Studies, University of Pennsylvania Katz

- Center for Advanced Judaic Studies, 14 Nov 2024 (invited)
- September 2024 – “How to ‘Science’ Like a Historian: What Every Microbiology and Molecular Biology Student Should Know about the Black Death,” Department of Microbiology and Molecular Biology, Brigham Young University, 12 September 2024 (invited)
- July 2024 – “Crisis under a Microscope: The Black Death, Multidisciplinarity, and the Global Middle Ages,” Medieval Academy plenary address, International Medieval Congress, University of Leeds, 2 July 2024 (invited)
- May 2024 – “Why We’re Still Debating the ‘Origin’ of the Black Death,” 13è seminari *Crisis i cicles en la Història*, “The Second Plague Pandemic: Origins and Narrative Memory,” Universitat de Lleida, 22 May 2024 (invited)<sup>45</sup>
- March 2024 – “Hidden Plagues: Rediscovering the History of Plague During Times of Famine,” presented to the SUNY-Binghamton Center for Medieval and Renaissance Studies, 20 March 2024 (invited)
- March 2024 – “The Black Death: The Medieval Plague Pandemic through the Eyes of Ibn Battuta, an online course module for the History for the 21st Century (H/21) Project,” presented at the “Celebration of New Scholarship,” meeting of the Medieval Academy of America, Notre Dame, 14-16 March 2024
- February 2024 – “How DNA Has Changed Our Story of the Black Death,” presented at University of Cyprus, 7 February 2024 (invited)<sup>46</sup>
- December 2023 – “An Omni-Crisis at the Intersection of Disciplines: Teaching the Black Death to STEM and Humanities Students,” presented at the symposium, Teaching the Middle Ages and Renaissance to STEM Students, Georgia Institute of Technology, 4 December 2023
- November 2023 – “A *Diabolus ex machina*? On the Speed and Route of Plague’s Late Medieval Transit Across Eurasia,” UNC-Greensboro, 9 November 2023 (invited)<sup>47</sup>
- September 2023 – “When Microbes Become Visible: Plague, SARS-CoV-2, and the History of Human-Animal-Microbe Connections,” presented at the Microbial Multiverse Symposium: Microbes in Society, September 14–16, 2023, University of Illinois, Urbana-Champaign (invited)
- July 2023 – “How the Black Death Became ‘Global’: Plague Focalization and Epidemic Perceptions in the 14<sup>th</sup> Century,” presented at the International Medieval Congress, Leeds University, sessions on “Disease in the Medieval Islamic World,” 4 July 2023
- May 2023 – “Plague Questions: State of Debate,” RATTUS Kick-off Meeting, University of York, 30-31 May 2023 (invited)
- May 2023 – “Transcontinental Microbial Exchanges: Experiences of the Black Death in Afro-Eurasia,” presented in the lecture series, KFG “Religion and Urbanity: Reciprocal Formation,” Global Exchange: Trade, Knowledge, and Religion, Erfurt University, 16 May 2023 (invited)
- May 2023 – “In and Beyond the Beneventan Zone: The Transformation of Latin Medicine in the Eleventh Century,” presented in “Orientation and Directions in Beneventan Studies: A Roundtable,” a session sponsored by Society for Beneventan Studies, International Congress of Medieval Studies (Kalamazoo, MI), 12 May 2023

---

<sup>45</sup> This is part of an on-going project, EPIDEMED, <https://epidemed.udl.cat/ca/>. The special topic of this session was “La segona pandèmia de pesta: orígens i memòria narrativa” (The Second Plague Pandemic: Origins and Narrative Memory). The slides and bibliography for the talk are posted on both Academia.edu and *Knowledge Commons*.

<sup>46</sup> The slides for this talk were archived on *Knowledge Commons* on 09 Feb 2024.

<sup>47</sup> The abstract and bibliography for this talk are posted at <https://www.academia.edu/108721934>.

- April 2023 – “Why History (Still) Needs Historians: Adventures at the Edge of Pandemic Studies,” presented as the Furniss Lecture, Colorado State University, Fort Collins, 14 April 2023 (invited)
- December 2022 – “A New Definition of the Black Death: Genetic Findings and Historical Interpretations,” presented at the Institutum Classicum Universitatis Helsingiensis, Helsinki, 1 December 2022 (invited)
- November 2022 – “A New Definition of the Black Death: Genetic Findings and Historical Interpretations,” presented at Bocconi University, Milan, 29 November 2022 (invited)
- November 2022 – “From the Tian Shan to Caffa via Baghdad: Rewriting the History of the Black Death’s Origins, Timing, and Routes,” presented at *Épidémies et crises de mortalité dans l’Europe médiévale et moderne (1): enjeux et perspectives pluridisciplinaires de recherche*, École Française de Rome, 23-25 November 2022 (invited)
- November 2022 – “The Road to Caffa: New Stories about the Black Death,” presented at Lake Forest College, IL, 7 November 2022 (invited)
- November 2022 – “New Histories for a New Era: Infectious Diseases after the Genetics Turn,” presented at Boston University School of Public Health, Department of Epidemiology, Tuesday Talk, 1 November 2022 (invited)
- November 2022 – “The Latest Work on the History of Plague: The World’s Greatest Success Story in Public Health (Almost),” presented Boston University School of Public Health, Department of Epidemiology, EP755: Infectious Disease Epidemiology, Dr Eleanor Murray, 1 November 2022 (invited)
- September 2022 – “Between Samarqand and Granada: The ‘Wind’ of Plague Moves Through the Islamic World,” paper presented at Cornell University, sponsored by the History Department and Medieval Studies Program, 23 September 2022 (invited)
- September 2022 – “A Mediterranean Divide: Islamic versus Christian Experiences of the Black Death,” presented as the Riggsby Lecture on Medieval Mediterranean Culture Marco Institute from Medieval and Renaissance Studies University of Tennessee, Knoxville, 22 September 2022 (invited)
- June 2022 – “A Pan-Eurasian Plague? New Narratives of the Black Death and a Path Forward in Asian Epidemiological History,” presented at Institute of Asian Studies, IAS Lecture 2022, University of Torino, 1 June 2022 (invited)
- May 2022 – “The Four Black Deaths and the Biological Archive: Getting History to talk to Genetics,” presented to Scott Gabriel Knowles’ class at the Korea Advanced Institute of Science and Technology, 23/24 May 2022 (invited)
- May 2022 – “Was There ‘Global Health’ in the Middle Ages?,” presented at International Congress of Medieval Studies Kalamazoo, Session 247: The Globalization of Medieval Medicine: Ideas, Authorities, and Products 1000–1600, 10 May 2022
- April 2022 – “A ‘Global’ History of the Black Death: New Narratives for the Islamic World,” presented to the Working Group on *History of Infectious Disease in the Islamic World*, Consortium for the History of Science, Medicine, and Technology, 5 April 2022
- March 2022 – “The Development of Historiography of Women in Medieval Science and Medicine since 1500 (or, Why Do People Still Believe in “Trotula”?),” paper presented at the Medieval Academy of America, Charlottesville, VA, 12 March 2022
- February 2022 – “On the Edge of a Pandemic World: The Later Medieval Western Mediterranean within Afro-Eurasian Disease Networks presented in the lecture series, “Spanish Flus: Pandemic Disease in the Iberian World from the Middle Ages through the Present,” New York University, 14 February 2022 (invited)

- February 2022 – “Stepping into the Same River Twice: Comparing the 1st and 2nd Plague Pandemics as Pan-Afroeurasian Events,” invited lecture, ARCHAIA: Yale Program for the Study of Ancient and Premodern Cultures and Civilizations, 11 February 2022 (invited)
- February 2022 – “Does ‘Race’ Have a Place in Pre-Modern Disease History?,” invited lecture, Stanford Archaeology Center, 9 February 2022 (invited)
- January 2022 – “[A 700-Year Erasure: Recovering the Story of Plague at the Fall of Baghdad \(1258\)](#),” Suppes Visiting Professor of the History of Science Lecture, Stanford University, 20 January 2022 (invited)
- December 2021 – “Has This Happened Before? Focalization of Plague in Wild Animal Populations Due to Human Activity,” presented at *From Zoonotics to Anthroponotics: The Past and Present of Disease Transmission between Animals and Humans*, a symposium organized by *The Global War Against the Rat and the Epistemic Emergence of Zoonosis* project, St Andrews University, 14 December 2021
- November 2021 – “Stepping into the Same River Twice: Comparing the 1st and 2nd Plague Pandemics,” presentation to Dr Nicole Lopez-Jantzen’s graduate history class, CUNY Graduate Center, 22 November 2021 (invited)
- September 2021 – “The Four Black Deaths,” presented to Kelly Urban’s class, University of South Alabama, 2 September 2021, and to Fabian Crespo’s class, University of Louisville, 19 October 2021 (invited)
- May 2021 – “Humanizing the Science of Plague: The Rediscovery of a Lost Pandemic in the 13th Century,” with Nahyan Fancy, 2021 Meeting of the American Association for the History of Medicine, Madison, WI (virtual)
- April 2021 – “Confronting Crisis: Writing History in Uncertain Times,” a roundtable organized by the graduate history student associations at York University and the University of Toronto, 30 April 2021 (invited)
- April 2021 – “The Human Side of COVID: A Multidisciplinary Perspective on the Pandemic,” a virtual symposium sponsored by Jindal Global Business School, O. P. Jindal Global University, 29 April 2021 (invited)
- April 2021 – “Neolithic to New World: Global Histories of Plague,” Annual Parrish Lecture, Kansas State University, 13 April 2021 (invited)
- March 2021 – “A New Past for a Pandemic Future: Evolutionary and Cultural Histories of Infectious Diseases,” Centre for History in Public Health at the London School of Hygiene & Tropical Medicine, annual lecture (invited)
- February 2021 – “Bringing Dols and Conrad into the Genomic Age: What’s New in the History of Infectious Diseases?,” *History of Infectious Disease in the Islamicate World*, a working group within the Consortium for the History of Science, Technology and Medicine, February 2021
- December 2020 – “Plague and Persecution: The Black Death’s Impact on Europe’s Jewish Communities,” Tel Aviv (invited)
- November 2020 – “Plague and Persecution: The Black Death’s Impact on Europe’s Jewish Communities,” Oxford Medieval History Seminar, 9 November 2020 (invited)
- August 2020 – “A New History of the Black Death (and Why It Matters for the History of Pandemics),” paper presented as part of a panel, *The Evolution and History of Human Diseases: From the Archaic Hominins to the Black Death and SARS-CoV-2*, sponsored by the American Association of Physical Anthropologists, 24 August 2020<sup>48</sup> (invited)

---

- July 2020 – “Plague: The Mongols’ Biggest Environmental Legacy,” presented at panel on “The Environmental Legacies of the Mongol Empire,” Durham Early Modern Conference, 10 July 2020 (invited)
- July 2020 – “Historical Contours of the Medieval Afro-Eurasian Disease Landscape: New Findings from Genetics and Medical History,” presented as part of IASTAM Webinar Series: *The ‘Pan’ of Pandemics: Why and How Asian Approaches Matter*, International Association for the Study of Traditional Asian Medicine, 8 July 2020 (invited)
- June 2020 – “The Emergence and Spread of Plague within the Mongol Empire: The State of the Question,” Mongol Zoominar, Hebrew University, Jerusalem, 5 June 2020 (invited)
- May 2020 – “The Mother of All Pandemics: The State of Black Death Research in the Era of COVID-19,” introductory remarks to the Webinar sponsored by the Medieval Academy of America, 15 May 2020
- April 2020 – “Chronicling a Pandemic at the Speed of Light,” part of an online seminar, “Documenting a Pandemic: Past and Present,” with Bryan Shaw, co-sponsored by ORIAS and the UC Berkeley History Social-Science Project, video available: <https://orias.berkeley.edu/resources-teachers/global-views-covid-19#DocumentingPandemic> (invited)
- March 2020 – commentator on panel, “The Science of Plague in Asia: From Beijing to Bursa,” Association for Asian Studies annual meeting, Boston, 20 March (invited – **CANCELLED** due to coronavirus)
- March 2020 – “Are Pandemics Comparable? The Present State of Research in Justinianic Plague and Black Death Studies,” Crick Institute, 18 March 2020 (invited – **CANCELLED** due to coronavirus)
- March 2020 – “Genetics for Historians: A Conversation about the Implications of the Palaeosciences for African Diasporas,” Goldsmith College, 17 March 2020 (invited – **CANCELLED** due to coronavirus)
- March 2020 – presentation to students of “Health and Healing in the Early Modern World,” King’s College, London, 17 March 2020 (invited – **CANCELLED** due to coronavirus)
- March 2020 – “What Happens When We Expand the Chronology and Geography of Plague’s History? (Or Why *Yersinia pestis* is a Good ‘Model Organism’ in These Pandemic Times),” Oxford Centre for Byzantine Research, 16 March 2020 (invited); presented and videotaped: <https://ox.cloud.panopto.eu/Panopto/Pages/Viewer.aspx?id=318f4e77-a5df-4c21-8cbc-ab8000cc522e>
- March 2020 – “What Every Medievalist Should Know About Plague: Lessons from Biology and History,” Cambridge Medieval History Seminar, 12 March 2020 (invited) – **CANCELLED** due to coronavirus
- March 2020 – “Coronavirus: What Can Study of Historical Pandemics Teach Us?” Edinburgh University Teach-Out (in lieu of Fennell Lecture), 5 March 2020 (invited)
- March 2020 – “Mongols, Marmots, and Millet: The Origins of the Black Death,” Fennell Lecture, Edinburgh University, 5 March 2020 (invited – **CANCELLED** due to industrial action)
- March 2020 – “Plague Work: Reconnecting with a Forgotten Disease to Forge New Connections in Public Health,” Newcastle University, 4 March 2020 (invited)
- March 2020 – “Are Pandemics Comparable? The Present State of Research in Justinianic Plague and Black Death Studies,” Department of Archaeology, Durham University, UK, 3 March 2020 (invited)
- July 2019 – “The Historian, the Archaeologist, and the Geneticist: Pandemic Thinking,” plenary, Society for Medieval Archaeology, 5 July 2019, York, UK (invited)

June	2019 – “The Black Death as Global History,” Seminário Mattoso, “Revisiting Interdisciplinarity: Food, Diseases and Migration,” Faculdade de Ciências Sociais e Humanas, Universidade NOVA de Lisboa, 27 June 2019 (invited)
March	2019 – “Medicine as a One-Way Street: The Transference of Islamic Medicine to Latin Europe,” celebration for Emilie Savage-Smith, St Cross College, Oxford, 29 March 2019 (invited)
March	2019 – “A New Story of the Black Death,” paper presented to the Medieval Studies Program, University of Maryland at Baltimore County, 12 March 2019 (invited)
March	2019 – “The Four Black Deaths,” part of a panel: Plague as a Pan-Eurasian Phenomenon: Same Disease, Differing Mortalities, 94th Annual Meeting of The Medieval Academy of America, University of Pennsylvania, Philadelphia, Pennsylvania, 7-9 March 2019
January	2019 – “Medicines Across Eurasia: What Next?,” presented at Medicines Across Eurasia, Nanyang Technological University, Singapore (invited keynote), 25 January 2019
January	2019 – “A Philological Orphan: The Latin Medical Corpus, ca. 100-1500,” presented at Medicines Across Eurasia, Nanyang Technological University, Singapore, 24 January 2019 (invited)
January	2019 – “The Origins of the Black Death: A Consilient Approach from Phylogenetics, Palaeogenetics, and History,” University of Oklahoma, 17 January 2019 (invited)
November	2018 – “Constantinus Africanus, the Global Middle Ages, and Me: Thinking Through (and Creating) Our Intellectual Genealogies,” presented at “Celebrating Belle da Costa Greene: An Examination of Medievalists of Color within the Field,” November 30-December 2, 2018, Saint Louis University (invited)
November	2018 – “Medicine in France and England in the Long Twelfth Century: Inheritors and Creators of European Medicine,” Polonsky Project, Final Conference: “England-France, 700-1200,” Paris, 21-23 November 2018 (invited)
November	2018 – “From Africa to Tibet: Telling Plague’s Story from the Periphery to the Center,” presented 14 November 2018, at the Max Planck Institute for the Science of Human History, Jena (invited)
November	2018 – “A New Story of the Black Death: The Latest Work on the Science and History of the World’s Largest Pandemic,” sponsored by the N. W. Posthumus Institute and Utrecht University, 13 November 2018 (invited)
October	2018 – “The Origins of the Black Death: A Consilient Approach from Phylogenetics and History,” presented 4 October 2018, at the Medieval Studies Colloquium, Northwestern University (invited)
October	2018 – “Putting Africa on the Black Death Map: Narratives from Genetics and History,” presented 3 October 2018, to the Program of African Studies and Program of Global Health Studies, Northwestern University (invited)
October	2018 – “A New Story of the Black Death,” presented 1 October 2018, Medieval Studies Center, Loyola University, Chicago (invited)
August	2018 – “Keeping Up with the Geneticists: The Latest in Disease and Human Migration History,” presented at 2018 Arizona Council for History Education conference, “Uncovering History: Reasoning and Inquiry in History Education,” Tempe, AZ
August	2018 – “The Origins of the Black Death: A Consilient Approach from Phylogenetics and History,” presented at the 4th annual International Society for Evolution, Medicine and Public Health, 1-4 August 2018, Park City, Utah

May	2018 – “‘Global’ as a Programmatic Strategy,” part of panel, “Teaching a Diverse and Inclusive Middle Ages,” 2018 International Congress for Medieval Studies Kalamazoo, MI, May 10-13, 2018
January	2018 – “Into the Labyrinth: Gender as an Ariadnean Thread in the History of Science and Medicine,” presented to the Faculty of History, University of Illinois at Champaign-Urbana, 23 January 2018 (invited)
December	2017 – “The Migrations of Plague in Mongol Eurasia: Reading Genetics as History,” part of panel “A Multidisciplinary Approach to the Black Death in the Mongol Empire: The Routes of Transmission,” presented at <i>Migrations in Mongol Eurasia: People, Ideas, Artifacts</i> , The Hebrew University of Jerusalem, International Conference, December 18-20, 2017 (invited) <sup>49</sup>
December	2017 – “Cherry-Picking or Consilience? Human Actors, Invisible Microbes, and (Non-) Collaboration in Disease History,” presented at the University of Haifa, 14 December 2017 (invited)
November	2017 – “The Migrations of Plague in Mongol Eurasia: Reading Genetics as History,” presented at the Melikian Center for Russian, Eurasian, and East European Studies, 29 November 2017
July	2017 – “Recovering ‘Ancient’ Gynaecology: The Humanist Rediscovery of the 11 <sup>th</sup> -Century Gynaecological Corpus in the 15 <sup>th</sup> and 16 <sup>th</sup> Centuries,” paper presented at the colloquium, “Transmission of Knowledge in the Late Middle Ages and the Renaissance,” Danish Academy at Rome, 26-27 July 2017 (invited)
April	2017 – “Genetics and the Medievalist,” presented at CARA Meeting, Medieval Academy of America, Toronto, 9 April 2017 (invited)
April	2017 – “History in a Hemispheric Mode: Redrawing the Medieval Map,” Medieval Academy of America, 2017 Fellows Plenary Lecture, 8 April 2017 (invited)
March	2017 – “Bringing Disciplines, Eras, and Continents Together: Stories from the History of Medicine,” presented at “Transcending Disciplinary, Temporal and Regional Boundaries” Great Lakes Colleges Association, Undergraduate Research Conference on Science, Technology and Society (STS), March 10-12, 2017, DePauw University, Greencastle, Indiana (invited)
February	2017 – “Re-Learning Epidemics Past: What Plague Can Teach Us Now,” plenary presented at “Epidemics: The SHAPE of Global Disease (Socio-historical, artistic and political expressions and epidemiology),” California State University at Fullerton, February 23-24, 2017 (invited)
January	2017 – “Cherry-Picking or Consilience? Human Actors, Invisible Microbes, and (Non-) Collaboration in Disease History,” presented at Presidential Panel on “Historians and Geneticists in Collaborative Research” at American Historical Association Annual Meeting, Denver, CO, 5-8 January 2017 (invited)
November	2016 – “‘Orientis et Occidentis magister’: Constantinus Africanus and His Manuscript Legacy,” presented at The Mediterranean Seminar in conjunction with the Hill Monastic Manuscript Library and the University of Minnesota, November 11-12, 2016 (invited)
November	2016 – “Plague Without End: On the Implications of the Black Death for Early Modern History,” Charles E. Freedeman Memorial Lecture in History, November 9, 2016, SUNY-Binghamton (invited)
November	2016 – “Medieval Plague, Modern Ebola, Invisible Africa: Genetics and the Framing of Global Health History,” presented to Department of History & Program in Medieval Studies, November 7, 2016, Cornell University (invited)

<sup>49</sup> The slides for this talk have been deposited on *Knowledge Commons*: <https://doi.org/10.17613/nypc-xm61>; the abstract and bibliography can be found here: <https://doi.org/10.17613/qtye-x507>.

- October 2016 – “The HIV/AIDS Pandemic and Its Larger Place in History,” poster presented at “HIV/AIDS Research: Its History & Future,” Cold Spring Harbor Lab, October 13-16, 2016
- September 2016 – with Lori Jones (University of Ottawa), “Connectivity in the Indian Ocean World and the Evolution and Spread of Major Human Diseases,” presented at “Disease Dispersion and Impact in the Indian Ocean World,” McGill University, Canada [presented by Jones]
- August 2016 – “Making Plague’s Story Modern: A Local-to-Global Analysis,” presented at the annual Arizona Council for History Education (ACHE) conference, “Community, Connections, and Perspectives in History,” 20 August 2016, Mesa, AZ
- July 2016 – “The Genesis of the Medical Works of Constantine the African and Their Circulation in the Long Twelfth Century,” presented at the sessions “Words across a Corrupting Sea: New Directions in the Study of Translation in the Medieval Mediterranean,” sponsored by SNAP (The Spain-North Africa Project), International Medieval Congress in Leeds, 4-7 July 2016
- May 2016 – “Constantine’s *De genecia* Revisited: Women’s Medicine at Monte Cassino,” presented at “Before/After Constantinus Africanus: Medicine in the Beneventan Zone and Beyond,” sessions sponsored by the Society for Beneventan Studies, International Congress on Medieval Studies, 12-15 May 2016, Kalamazoo, MI
- April 2016 – “Putting Africa on the Black Death Map: The Genetics Narrative of *Y. pestis* from the Perspective of Medieval History,” presented at “Did the Plague Spread to Sub-Saharan Africa Before the Third Pandemic?”, A GlobAfrica Workshop, College of William and Mary, April 22-23, 2016 (invited)
- April 2016 – “A Global Black Death,” talk presented at the Department of History, Northern Arizona University, 7 April 2016 (invited)
- April 2016 – “A Global Middle Ages: Genetic Connections,” plenary talk for Medieval Association of the Pacific, 50th anniversary meeting, March 31-April 2, 2016 (invited)
- March 2016 – “Putting the ‘Global’ in Global Health History: New Narratives from Genetics,” a paired presentation on global health in Africa with Jason Bruner, SHPRS lunch presentation, ASU, 30 March 2016
- January 2016 – “Plague: Scourge of the Ages,” presented at Rhodes College, Memphis, Tennessee (invited), 19 January 2016
- November 2015 – “A Hyper-Connected World: The Amplification of Infectious Disease in the 19th Century,” Forschungskolloquium zur Vergleichs- und Verflechtungsgeschichte, Seminar of Prof. Dr. Arnd Bauerkämper, Freie Universität, Berlin, 23 November 2015 (invited)
- October 2015 – “A Global History of Health: Reconstructing Humankind’s Encounters with Infectious Disease,” presented at the American Academy in Berlin, 20 October 2015 (invited)
- October 2015 – “Richard de Fournival and the Reconfiguration of Learned Medicine in the mid-13th Century,” presented at the symposium, “Richard de Fournival et les sciences aux XIIIe siècles,” 15-16 October 2015, Paris (invited)
- May 2015 – panelist: “Future Directions for Research in Medieval Medicine (A Roundtable),” International Congress on Medieval Studies, Kalamazoo, MI (invited)
- May 2015 – “What Hath eVK Wrought? Connecting the Vernacular to Latin, England to Europe,” presented at session honoring Linda Ehrensam Voigts, International Congress on Medieval Studies, Kalamazoo, MI (invited)
- May 2015 – “Situating Ebola Within Global History of Health Narratives,” paper presented at the 2015 American Association for the History of Medicine meeting New Haven, CT, 30 April – 3 May 2015

- April 2015 – “Rethinking the Black Death: Expanding Geographies, Chronologies, and Methodologies,” paper presented at the 2015 meeting of the Medieval Association of the Pacific, Reno, Nevada, 10-11 April 2015
- April 2015 – “The Black Death and Ebola: On the Value of Comparison,” University of Nevada - Reno, 8 April 2015 (invited)
- March 2015 – “‘Habeo istos libros medicales’: The Changing Form, Content, and Professional Function of the Medical Book in the Long Twelfth Century,” talk presented at *The European Book in the Long Twelfth Century*, University of Leiden, 11-13 March 2015 (invited)
- February 2015 – “Reconstructing Medieval Medical Libraries: Between the Codex and the Computer,” a lecture and workshops held at Houghton Library and Countway Library, Harvard University, 24-27 February 2015 (invited)
- November 2014 – “Medicine at Monte Cassino: A New Interpretation of Medieval Medical History in the West,” presented at ‘Texts and Contexts: A Manuscript Conference,’ The Ohio State University, Center for Epigraphical and Palaeographical Studies, November 14-15, 2014
- November 2014 – “When History Becomes Science: Medieval Diseases in the Twenty-First Century,” presented at the 2014 annual meeting of the History of Science Society, Chicago, IL, 6-9 November 2014
- September 2014 – “Like a Prometheus Stealing Fire: Constantine the African and the Transformed Landscape of Learned Medicine in 12th-Century Christian Western Europe,” presented at University of Notre Dame, Medieval Studies Seminar (invited)
- September 2014 – “Reframing the Black Death in Terms of Global History,” presented at University of Notre Dame, Medieval Studies Seminar (invited)
- September 2014 – “Explaining Ebola from a Global Health Perspective: Causation, Crisis, and Coordination,” presented 22 September 2014 to Institute for Humanities Research, Arizona State University
- August 2014 – “‘Translational History’: Getting Cutting-Edge Research Directly into the K-12 Curriculum. A Case Study of the Black Death,” Arizona Council for History Education (ACHE), Annual Conference “Milestones and Connections: History from the Local to the Global,” 16 August 2014, Mesa Arts Center
- July 2014 – “Atlantic Leprosy: A New History, An Old Disease, and the Afro-Brazilian Past,” co-authored paper, with Hugh Cagle, presented at the Second World Congress on Environmental History, Guimarães, Portugal, July 7-14, 2014
- May 2014 – “When History Became Science: Altered Narratives of Global Disease Histories in the 21st Century,” presented at University of Pittsburgh, “The Life Sciences After World War II: Institutional Change and International Connections,” 15-17 May 2014 (invited)
- January 2014 – “Pandemic Disease in the Medieval World: Rethinking the Black Death,” presented at the Medieval Seminar, School of Historical Studies, Institute for Advanced Study, Princeton, 28 January 2014
- December 2013 – “Imaging a New Profession in the 12th and 13th Centuries: Besançon 457 and the Physician’s Task,” presented at Haifa University, 13 December 2013 (invited)
- December 2013 – “A Context in Which to Flourish? The Landscape of Learned Medicine in 12th-Century Christian Western Europe,” plenary address presented at the Conference, Medical Texts in Hebrew Contexts – Jewish Physicians and the Dynamics of Cultural Transfer in Pre-Modern Europe, 9-11 December 2013 (invited)
- November 2013 – “The Role of Learned Medicine in Creating a Unified European Culture in the 12th Century,” presented to the Institute for Advanced Study History Seminar, 25 November 2013

- November 2013 – “Leading from the Middle: Using the Medieval Scourges of Leprosy and Plague to Frame a Deep Global History of Health,” presented at Rutgers University, Global Health Lecture Series, Centers for Global Advancement and International Affairs, 21 November 2013 (invited)
- November 2013 – “‘Ego Constantinus’: The Creation of a Medical Authorial Identity in the 11th and 12th Centuries,” presented at the Princeton University Medieval Studies 2013-14 Lectures Series, “Names, Dates and Signatures,” 19 November 2013
- November 2013 – “The State of Medieval Medical History Today: From Molecules to Megadata,” a luncheon student seminar, sponsored by the Princeton University Program in Medieval Studies, 20 November 2013
- November 2013 – “From Enzootics to Pandemics: African and Asian Origins of Disease Before 1000 CE,” presented at the Sealinks Conference, *Proto-Globalisation in the Indian Ocean World: Interdisciplinary Perspectives*, Jesus College, Oxford, 7-10 November 2013
- October 2013 – “Scales of Time and Space in Global Health: Getting Historians and Geneticists on the Same Page,” presented at the Institute for Advanced Study, After Hours Talks, Monday, October 21, 2013
- October 2013 – “Leading from the Middle: Using the Medieval Scourges of Leprosy and Plague to Frame a Deep Global History of Health,” presented at the Fyssen Conference, “From Colonisation to Globalisation: Species Movements in History,” 4-7 October 2013, Saint-Germain-en-Laye (invited)
- September 2013 – “Data Starved, or How a Medievalist Became a Historian of Global Health,” paper presented at the World History Center, University of Pittsburgh, 10 September 2013 (invited)
- April 2013 – “Imaging a New Profession in the 12th and 13th Centuries: Besançon 457 and the Physician’s Task,” presented at the annual Medieval Academy of America meeting, Knoxville, TN, 4-6 April 2013
- January 2013 – “From the Prehistoric to the Medieval to the Modern: New Agendas for Researching Global Diseases,” presented at “A Prospectus for Global Health History,” a session organized for the 127th meeting of the American Historical Association, New Orleans, 3-6 January 2013
- September 2012 – “The Medievalist and the Microbiologist: New Thinking on Plague from Medieval Eurasia to the Deserts of Arizona,” presented at APS Back to School Resource Fair (sponsored by Mary Lou Fulton Teachers College and Arizona Science Center for K-12 teachers), 22 September 2012 (invited)
- July 2012 – “The Travels of Muscio: Making Medieval Obstetrics out of a Late Ancient Text,” invited plenary lecture, presented at conference, ‘Retelling Familiar Tales of Pregnancy and Birth in European Cultures,’ Oxford University, 3-4 July 2012 (invited)
- June 2012 – “Medievalists as Microbe Hunters: New Paradigms in Thinking about Health and Disease in the Middle Ages,” invited plenary lecture at conference, ‘Care and Cure: Diseases, Disabilities and Therapies in the Middle Ages and Renaissance,’ 15 June 2012, Centre for Medieval and Early Modern Research, Swansea University, Wales, UK (invited)
- May 2012 – “The Medievalist and the Microbiologist: How Plague and Leprosy Have Opened Up New Perspectives on the History of Medicine,” presented as The Patterson Lecture at the Canadian Society for the History of Medicine, 26-28 May 2012, University of Waterloo (invited)
- May 2012 – “The Fate of Muscio’s *Gynecology* in England,” presented at a session in honor of M. Teresa Tavormina, 47<sup>th</sup> International Congress on Medieval Studies (10-13 May, 2012), Western Michigan University, Kalamazoo, MI
