

Tips for Searching the Spencer Museum of Art's Collection

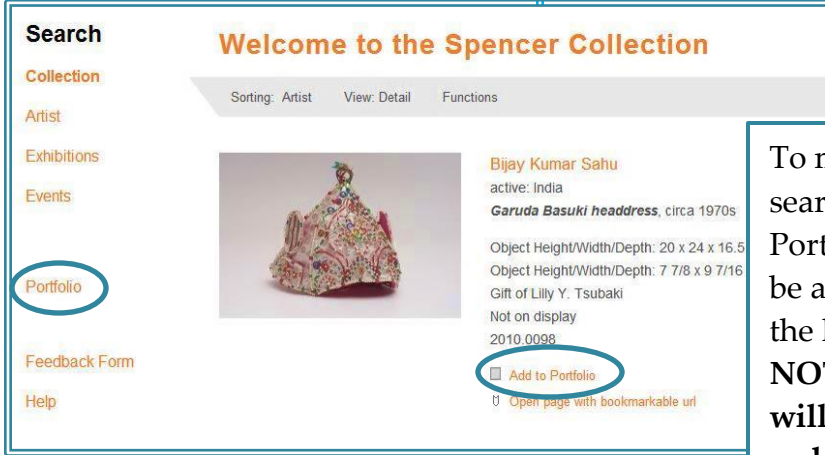

Not sure about your search terms? Leave the search box empty and select the arrow.

The next page contains options for searching the SMA collection, exhibitions, and events.

Hoping to locate a piece of artwork your class can see during their visit? Select "Yes" to limit search results to works of art "On Display".

To make a list of object while searching, check the "Add to Portfolio" box. The portfolio can be accessed from the menu on the left. **NOTE: The data in the portfolio will be erased after closing the web browser.**
