**Q30 - We welcome your written comments below. What is something/are some things that the instructor does well, e.g., something you hope that the instructor will continue to do in the class in the future?**

**Faculty:** Kopyy, Kate C

**Response Rate:** 75.00% (6 of 8)

- This class is great. Every aspect is excellent.
- Enthusiasm. Improve my oral English a lot

Kate is an intelligent teacher with excellent teaching method. She always discovered the best ways to teach students in English. I came to class and realized that Kate always refreshed the lectures each day, made them more interesting to students.

- Besides, she showed us methods to present difficult topics in effective ways. She also pointed out what are students defects in speaking English and helped them to correct all these defects. For example, I was not good at pronunciation at first, but she helped me to improve it a lot after taking this class. Thank her a lot.

Moreover, she always encouraged us to do the best. Especially, she is very outgoing and friendly to international students.

- Interaction with studentents is very important. In the beginning, a small talk can let students feel comfortable.
- Kate is a very responsible and helpful instructor. It impressed me that she asked her husband to give a lecture about mechanics to help the students with understanding how to prepare a specific-majored lecture to laymen.
- Very nice teacher overall. She has really awesome teaching skills which helps us improve our languages skills very well. She has good strategies in getting students involved.

**Q31 - Make a suggestion(s) for improving the course (a criticism alone is not helpful; tell your instructor how you would fix any problem).**
