Recently a well-tempered visitor remarked, that below list shows some diligence, to which I objected: „No, this is the fear of failure in the final exam!“  
Ein wohlmeinender Besucher meinte kürzlich, diese Liste sei Ausdruck von Fleiss, worauf mir herausrutschte: “Nein, das ist KEIN Fleiss! Das ist die Angst vor dem Sitzenbleiben!”

3. Until now – Dec. 2021 – nobody felt any necessity to grant Buike Science And Music some academical equivalent – which in meantime even has got obsolete by all those „false doctors“, that made their way through the newspapers – and not through the bookshelves. There however piled up a LIST OF INTERNATIONAL LIBRARIES and other listings – especially in WorldCat! - , in which Buike research has been collected, which are:

- **INTERNATIONAL LIBRARIES**
- ["Bruno Buike in ÖNB Wien](#)
- ["Bruno Buike" NL hu Budapest](#)
- ["Bruno "Bruno Buike" in DNB Leipzig, Ffm](#) – legal deposits
- ["Bruno Buike" in BSB Muenchen](#)
- ["Bruno Buike" in Lib Genesis, Russia](#)
- ["Bruno Buike" in BL London](#)
- ["Bruno Buike" in LC Washington DC](#)

Saint Anthony of Padue – Sant' Antonio di Padova

- main iconographical attributes: child Jesus, lily, book and burning fire -
- Patron Saint since 1727 of Gymnasium Antonianum, Vechta, Germany -
- where they really took the burden, to teach me troublesome boy SOMETHING and – oh wonder – obviously succeeded SOMEHOW, but little bit surprising -

3. DOI – numbers here are related to CORE repository within Library of Columbia University, New York, and connected with platform „Humanities Commons“ of Michigan State University – plus they are basic to some listings in German National Library, online resources (online library).

4. If existent, other editions (mainly microfiche with ISBN from my previous Tectum-publisher, Marburg, where I was fired by Dr Hans-Werner Kubitz, which is indicative for MY and for THEIR intellectual levels!

5. LibGen is „Library Genesis“ in Russia. Login-name „genesis“ password: upload – HOWEVER: there is NO GUARANTEE, that Library Genesis is a STABLE ENTERPRISE, that never will change URL-adress ...

6. All items listed here are registered – mainly as paper-editions, only a quarter or so as electronical files – in German National Library („Deutsche Bibliothek“), Lipsia, Leipzig and Frankfort/Main – according to official regulations for socalled „legal deposits“.

7. Missing here are scientific extended prefaces from my doi-music-catalog BB E 05.

**comment:** This book became part of my FATE – not only it was part of the final homework of my teacher's studies at Duisburg University, that were rejected (after 6 long years!). It AGAIN became part of my FATE, as it could not be published without delay, because in meantime Tectum – Verlag, Marburg owner, Dr. Heinz Werner Kubitzka – Wikipedia DE URL [https://de.wikipedia.org/wiki/Heinz-Werner\\_Kubitzka](https://de.wikipedia.org/wiki/Heinz-Werner_Kubitzka) - , had FIRED me from the list of his authors! From which we learn: This is a FREE country with FREE research, FREE opinions– provided you can manage the echo! But the strange thing is: In the end I was VERY GLAD, that I was FREED from surroundings, in which atmosphere was not suited for free breathing and the surroundings not suited for free blossoming!

dealing with the TODAY ne basic physics aof „scalar physics“ and „ether physics“ near „zero-point“ – all stuff far beyond Einstein!

Serra di San Bruno (monastery of the Carthusians) – Calabria, Italy  
St. Bruno in cold water praying on knees – probably fighting his libido

---XXX---

San Bruno (of Cologne), the Carthusian (statue perhaps from France, Grand Chartreuse?)  
– declared „holy“ nevertheless! Papst [Innozenz' XI.](#) is on report saying:  
„Cartusia numquam reformata, quia numquam deformata“  
Such illustrating the power of silence – within a world and multitude of CHATTER!

---XXX---

We may conclude somehow, that my so-called „accidental“ Christian names in the end have turned out, to have set the WORKING PROGRAM of my life, which was and is to certain extent STUDY, especially study under the auspices of the heavenly beings not embodied in flesh, in which both my patron saints excelled! So we may feel encouraged to go further and beyond!
