

How to Register

START HERE:

1. Log out of all MSU systems before registering, including Spartan Mail, D2L, and EBS.
2. Go to <https://commons.msu.edu/>
3. Click "Register" in the upper right corner, then "Register Now" on the next screen.
4. You'll be sent to MSU's login system, where you must log in using your MSU credentials.
5. Review your enrollment info and accept or change your suggested username.
6. Wait for several seconds as the system builds your account.

REGISTRATION TIPS:

- Recommended browsers include Mozilla Firefox and Google Chrome.
- If you experience issues clear your cookies and cache and restart your web browser.
- You may also try a different browser or a private/incognito browsing window.
