#LIBER2017 CONFERENCE – JULY 6TH, 2017
LET’S BEGIN WITH A SHORT VIDEO...
HOW EVERYTHING STARTED

- Six people in a secluded place in North Carolina...
VALUES FIRST

- A grass roots approach...
HUMETRICS HSS PILOT PROJECT

- Run targeted, interactive workshops to refine and validate a value-based frameworks of indicators for HSS scholarship
- Establish broad engagement with the academic, scholarly communication, and metrics communities
- Test the framework against a corpora of underrewarded/underrepresented scholarly outputs
- Develop a prototype app for a semi-automatic extraction of indicators
- Funded by the Andrew W. Mellon Foundation
